Except if expressly provided otherwise in this article, the requirements of this article do not apply to any other goods or services sold by a prepaid rental listing service as long as the purchase of those goods or services is not required to obtain those listings, and as long as the purchase of those goods or services is not included in the same contract as the contract to provide those listings, and as long as the contract to provide those listings clearly specifies that the purchase of any other goods and services is optional, and as long as the price charged for any other goods and services is fair and reasonable.

(2) In an action alleging that the price charged for any other goods and services is not fair and reasonable, the burden shall be on the commissioner to demonstrate that the price charged unreasonably exceeds the fee customarily charged for the same or comparable goods or services in the community in which the prepaid rental listing service operates. The fact that the price charged for goods or services exceeds the cost incurred by the prepaid rental listing service shall not render the price charged for the goods or services to be unfair or unreasonable, so long as the price charged does not unreasonably exceed the fee customarily charged for the same or comparable goods or services in the community in which the prepaid rental listing service operates.

Separate Application for Each Location – Broker May Provide Service

10167.3. (a) A separate application for a license as a prepaid rental listing service shall be made in writing for each location to be operated by a licensee other than a real estate broker. Each application shall be on forms provided by the department, shall be signed by the applicant, and shall be accompanied by a one hundred dollar (\$100) application fee for the first location, and a twenty-five dollar (\$25) application fee for each additional location of the applicant. Applications to add or eliminate locations during the term of a license shall be on forms prescribed by the department. A twenty-five dollar (\$25) application fee for the remainder of a license term for each location to be added shall accompany the application.

(b) A real estate broker may provide a prepaid rental listing service at a licensed office for the conduct of his or her real estate brokerage business if the business at the office is conducted under the immediate supervision of the broker or of a real estate salesperson licensed to, and acting on behalf of, the broker.

Application Hearing

10167.4. The commissioner may require such proof as he or she may deem advisable concerning the honesty and truthfulness of (a) any applicant for a license as a prepaid rental listing service, (b) the designated agents of the applicant, (c) the officers, directors, and any persons owning 25 percent or more of the shares of any corporation making such an application, or (d) any person owning or controlling a beneficial ownership interest of 25 percent or more in the entity making application before authorizing the issuance of a license for a location. For this purpose, the commissioner may hold a hearing in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code and may refuse to issue a license to an applicant who does not furnish satisfactory proof of his or her honesty and truthfulness or of the honesty and truthfulness of the corporate officers, directors, and shareholders. To assist in this determination, the commissioner shall require the fingerprinting of every original applicant including designated agents, officers, directors, and persons owning 25 percent or more of the shares of the corporate applicant.

Supervision – Termination of Designated Agent – License Expiration

10167.5. The business at a location licensed pursuant to subdivision (a) of Section 10167.3 shall be conducted under the immediate supervision of the licensee or a designated agent who is not a designated agent at any other location. Whenever a designated agent ceases permanently to be a designated agent at any location because of death, termination of employment, or any other reason, the licensee, within five days thereafter, shall give written notice to the department. A license issued for a particular location shall automatically expire 60 days after the time

BUSINESS AND PROFESSIONS CODE

the business conducted at such location ceases for any reason to be under the charge of and managed by the designated agent of record with the department, unless within such 60-day period the licensee submits written notice of the new designated agent to the department.

A designated agent of the licensed service may serve as designated agent for the location in question as well as for the location for which he or she is the designated agent of record during the period of 60 days.

Nonresident Licensees

10167.6. Every applicant for a prepaid rental listing service license who is not a resident of this state shall file with the application for a license an irrevocable consent that in any action arising out of the activities of the prepaid rental listing service commenced against him or her in this state, if personal service of process upon him or her cannot be made in this state in the exercise of due diligence, a valid service may be made upon him or her by delivering the process to the Secretary of State.

Insofar as possible, the provisions of Section 1018 of the Code of Civil Procedure relating to service of process on the Secretary of State are applicable to this section.

Bond Requirement – Each Location

10167.7. Except as provided in Section 10167.8, each licensee shall provide to the department, and at all times maintain in force, a bond in the amount of ten thousand dollars (\$10,000) for each location. The bond may be in the form of a corporate surety bond, or a cash deposit. A cash deposit may be deposited by the licensee in an interest-bearing account assigned to the commissioner, with interest earned thereon payable to the licensee. The bond or cash deposit may be utilized by the commissioner for the benefit of any unsatisfied judgment creditor in an action pursuant to subdivision (e) of Section 10167.10.

Bond Exemptions

10167.8. The requirement of Section 10167.7 shall not apply to any prepaid rental listing service operated by:

- (a) a person exempt from the payment of federal and state income taxes;
- (b) an agency of the federal, state, or local government; or
- (c) a real estate broker conducting a prepaid rental listing service pursuant to a real estate license.

(8) A clause in bold type letters outlining the small claims court remedy available to the prospective tenant.

(9) A clause in boldface type letters clearly stating that the purchase of any goods and services other than the provision of listings of residential real properties for tenancy is optional.

Any records retained pursuant to this subdivision that are stored in the ordinary course of business in digital media shall, upon request of a duly authorized representative of the commissioner, be provided on diskette, CD-ROM or similar portable digital storage medium. For purposes of this subdivision, the "original" of a contract executed in electronic form shall be either the copy of the contract stored in digital media or a paper printout of that contract.

(2) Any licensee, or employee thereof, shall dispose of the documents required to be kept pursuant to paragraph (1) by shredding or other appropriate means so that the identity of the prospective tenant may not be determined from the disposed information alone or in combination with other publicly available information.

(c) The form of contract proposed to be used by a licensee to effect compliance with this section shall be filed with the department prior to use. Any modification of a form previously filed with the department, including a change in the name or business address of the licensee, shall also be filed prior to use. The department shall withhold the issuance or renewal of a license until the department has approved the contract. If a proposed modification to a contract has not been approved or disapproved within 15 working days of being filed with the department, the proposed modification shall be deemed approved. If a proposed modification or contract provision is disapproved, the department shall communicate that disapproval in writing to the licensee within 15 working days of being filed with the department, accompanied by a written justification of why the modification or contract provision is contrary to the requirements of this article.

(d) Notwithstanding any other provision of law, a contract for prepaid rental listing services executed in electronic form, and signed in any electronic form that provides a reasonable method of indicating that the individual whose signature is required authorized the contract to be signed in electronic form, shall be valid to the same extent as an executed written contract. Upon request by the customer, the licensee shall deliver an executed paper copy to the customer within five working days of receiving the request.

Refund of Advance Fee Paid

10167.10.

(a) (1) A licensee shall refund in full the fee paid by a prospective tenant if the licensee does not, within five days after execution of the contract, supply at least three rental properties then available to the prospective tenant and meeting the specifications of the contract, unless the prospective tenant obtains a rental through the services of the licensee.

(2) A licensee will be deemed to have supplied information meeting the specifications of the prospective tenant if the information supplied meets the contract specifications with reference to: (i) type of structure; (ii) designated area; (iii) furnished or unfurnished; (iv) number of bedrooms; (v) maximum rental; and (vi) any other specification expressly set forth in the contract. A demand for the return of the fee shall be made by or on behalf of the prospective tenant within 10 days following the expiration of the five-day period referred to above by delivery or by mailing by registered or certified mail to the address of a location, or branch office of a real estate broker, set forth in the contract.

(b) (1) Except as provided in paragraph (3), a licensee shall refund any fee paid over and above the sum of a fifty dollar (\$50) service charge to the prospective tenant if the prospective tenant obtains a rental other than through the services of the licensee during the term of the contract or does not obtain a rental, provided that the prospective tenant demands a return of that part of the fee within 10 days after the expiration of the contract.

BUSINESS AND PROFESSIONS CODE

(2) The licensee shall refund any fee paid over and above the sum of a fifty dollar (\$50) service charge to the prospective tenant within 10 days of receipt from the prospective tenant of either the documentation specified in subparagraph (A) or the written statement specified in subparagraph (B), as applicable:

(A) Except as specified in subparagraph (B), a prospective tenant demanding a refund shall provide to the licensee reasonable documentation of the prospective tenant's new rental or of the fact that the prospective tenant did not move, such as a lease, rental agreement, or utility bill, with sufficient information to verify that the new rental was not obtained through the services of the licensee or that the prospective tenant did not move.

(B) If the prospective tenant is unable to locate or provide the documentation specified in subparagraph (A), the prospective tenant may, at his or her option, fill out and sign a written statement, supplied by the licensee, in the following form:

I, _____, do swear or affirm the following:

_____ I did not find a new rental and did not move. I still live at the above address.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.

_____ (date) _____ (location)

(3) On or after January 1, 2002, the department may, from time to time, by regulation, adjust the amount of the allowable service charge to reflect the rate of inflation from the previous date that the amount of the allowable service charge was established, as measured by the Consumer Price Index or other method of measuring the rate of inflation which the department determines is reliable and generally accepted.

(c) Each contract shall contain provisions that shall read as follows unless different language shall have been approved in writing by the department prior to use:

If the licensee refuses or is unable to pay the damages awarded by the court, the award may be satisfied out of the security required under Section 10167.7.

Violations

10167.11. It shall be a violation of this article for any licensee or any employee or agent of a licensee to do the following:

(a) Make, or cause to be made, any false, misleading, or deceptive advertisements or representations concerning the services that the licensee will provide to prospective tenants.

(b) Refer a property to a prospective tenant knowing or having reason to know that:

(1) The property does not exist or is unavailable for tenancy.

(2) The property has been described or advertised by or on behalf of the licensee in a false, misleading, or deceptive manner.

(3) The licensee has not confirmed the availability of the property for tenancy during the four-day period immediately preceding dissemination of the listing information. However, it shall not be a violation to refer a property to a prospective tenant during a period of from five to seven days after the most recent confirmation of the availability of the property for rental if the licensee has made a good faith effort to confirm availability within the stated four-day period, and if the most recent date of confirmation of availability is set forth in the referral.

(4) The licensee has not obtained written or oral permission to list the property from the property owner, manager, or other authorized agent.

License Suspension or Revocation

10167.12. (a) The commissioner may suspend, deny, or revoke the license of a licensee or the license of the licensee to operate at one or more locations for either of the following:

Two-year License Term

10167.13. A prepaid rental listing service license issued by the department shall be for a period of two years. An application and fee for renewal filed with the department before midnight of the last day of the period for which a previous license was issued entitles the licensee to continue operating at all locations specified in the previous license for which a renewal fee is paid.

Injunction

10167.14. Whenever any person has engaged or threatens to engage in any acts or practices which constitute, or will constitute a violation of a provision of the article, the superior court of the county in which the acts or practices have taken place, or are about to take place, on complaint of the commissioner, the attorney general, district attorney, or city attorney, may enjoin such acts or practices by appropriate order. The proceedings under this section shall be governed by Chapter 3 (commencing with Section 525) of Title 7 of Part 2 of the Code of Civil Procedure, except that no undertaking shall be required.

Misdemeanor

10167.15. Any person, including an officer, director, or employee of a corporation who willfully violates any provision of this article is guilty of a misdemeanor.

Applicable Laws

10167.16. A person or corporation licensed pursuant to this article and not engaging in acts for which a real estate license is required under Article 1 (commencing with Section 10130) of Chapter 3 of Part 1 of Division 4, shall be subject, in addition to the provisions of this article, to the provisions of Chapter 1 (commencing with Section 10000) and Chapter 2 (commencing with Section 10050) of Part 1 of Division 4, and to Sections 10450, 10452, 10453, and 10454.

Provisions of Licensure

10167.17. The commissioner shall, by regulation, make prepaid rental listing service licensees and applicants for prepaid rental listing service licenses subject to the same provisions respecting licensure as are applicable to real estate licenses under Sections 10151.5, 10156.5, 10156.6, 10156.7, 10200, and 10201.

Article 2.5. Continuing Education

Legislative Determination

10170. The Legislature has determined that it is in the public interest of consumer protection and consumer service that all real estate licensees licensed under the provisions of this part comply with continuing education requirements adopted by the commissioner pursuant to this article as a prerequisite to the renewal of real estate licenses on and after January 1, 1981.

Advisory Committee

10170.2. The commissioner may appoint a committee comprised of licensees under this part and persons with expertise in real estate education to advise him with respect to his responsibilities under this article.

Regulations to Be Adopted

10170.4. The commissioner shall adopt regulations pursuant to Section 10080, to prescribe all of the following:

(b) A basis and method of qualifying educational programs, the successful completion of which, will satisfy the requirements of this article.

(d) A system of control and reporting qualifying attendance.

(e) An appropriate form of testing, examination or evaluation by the sponsor of each approved correspondence or homestudy educational program, or equivalent, of the student.

(f) A statement of the conditions of exemption from the continuing education requirements established under this article, as well as a method of applying and qualifying for these exemptions, for reasons of health, military service, or other compelling cause.

In exercising the authority under this article, the commissioner shall establish standards which will assure reasonable currency of knowledge as a basis for a level of real estate practice which will provide a high level of consumer protection and of competence in achieving the objectives of members of the public who engage the services of licensees. The standards shall permit a variety of alternatives of subject material to licensees taking cognizance of specialized areas of practice, and alternatives in sources of programs considering availability in area and time. The standards shall include, where qualified, generally accredited educational institutions, private vocational schools, correspondence institutions, educational programs, workshops, and seminars of professional societies and organizations, other organized educational programs on technical subjects, or equivalent offerings.

Licensee Right

10170.6. The commissioner may amend or repeal any regulation adopted pursuant to this article in the same manner as provided for adoption of such regulations, except that no amendment or repeal shall operate to deprive any licensee of the right to submit qualifying education completed pursuant to such amended or repealed regulation during his current license term, as a basis for license renewal.

BUSINESS AND PROFESSIONS CODE

Exemption Conditions – 30 Years as Licensee – 70 Years or Older

10170.8. The provisions of this article shall not apply to any real estate licensee who submits proof satisfactory to the commissioner that he or she has been a real estate licensee in good standing for 30 continuous years in this state and is 70 years of age or older.

A licensee in good standing is one who holds an active license which has not been suspended, revoked, or restricted as a result of disciplinary action.

License Grace Period

10171.2. If an applicant for a license has submitted, in good faith, evidence of completion of continuing education which he had reason to believe would qualify him for license renewal, but the commissioner finds that the evidence submitted does not qualify under standards adopted pursuant to this article, the commissioner may, nonetheless, extend the license for 90 days in order to allow the applicant to submit additional evidence of compliance, which satisfies the requirements of this article. When the license is issued during or at the end of the grace period provided for in this section it shall expire four years from the date otherwise applicable if no grace period had been granted.

License Reinstatement After Disciplinary Action

10171.3. On and after January 1, 1981, a real estate license, which has been revoked as the result of disciplinary action by the commissioner, shall not be reinstated, nor shall a restricted real estate license be issued to an applicant in connection with a petition for reinstatement, unless the applicant presents evidence of completion of the continuing education required by this article. This requirement of evidence of continuing education shall not be imposed upon an applicant for reinstatement who has been required under Section 10182 to pass a qualifying examination as a condition to reinstatement.

Temporary License Issuance

10171.4. Any licensee who applies for renewal of his or her license under Section 10461, or for reinstatement of his or her license under Section 10161.5 or 10463, shall, if the previous active license issued to him or her was issued four or more years prior to his or her application for renewal or reinstatement, present evidence of compliance with this article. If no such qualifying evidence is presented, the commissioner may issue a temporary license for a period of 90 days.

If the applicant presents evidence within 90 days of compliance with this article and is otherwise qualified, the commissioner shall issue a regular license without additional fee. It shall expire four years from the date which would otherwise have been applicable if a temporary license under this section had not been issued.

Corporate Broker-Officer

10171.5. A person who is licensed as a real estate broker only as an officer of a corporate broker pursuant to Section 10158 or 10211 shall not be eligible for the renewal of such license nor for the issuance of a license in an individual capacity or as an officer of a corporate broker licensed pursuant to Section 10158 or 10211, unless and until such person has completed the continuing education requirements of this article.

Article 3. Disciplinary Action

Powers

10175. Upon grounds provided in this article and the other articles of this chapter, the license of any real estate licensee may be revoked or suspended in accordance with the provisions of this part relating to hearings.

Monetary Penalty in Lieu of Suspension

10175.2. NOTE: AN AMENDED NOTICE MUST BE FILED BY THE BROKER WITHIN 30 DAYS OF ANY MATERIAL CHANGE IN THE INFORMATION REQUIRED TO BE SET FORTH HEREIN.

(2) A broker or person who becomes the servicing agent for notes or interest sold pursuant to this section, upon which payments due during any period of three consecutive months in the aggregate exceed one hundred twenty-five thousand dollars (\$125,000) or the number of persons entitled to the payments exceeds 120, shall file the notice required by paragraph (1) with the commissioner within 30 days after becoming the servicing agent.

(b) All advertising employed for transactions under this section shall (1) show the name of the broker and (2) comply with Section 10235 of the Business and Professions Code and Sections 260.302 and 2848 of Title 10 of the California Code of Regulations. Brokers and their agents are cautioned that a reference to a prospective investor that a transaction is conducted under this section may be deemed misleading or deceptive if this representation may reasonably be construed by the investor as an implication of merit or approval of the transaction.

(c) The real property directly securing the notes or interests is located in this state, the note or notes are not by their terms subject to subordination to any subsequently created deed of trust upon the real property, and the note or notes are not promotional notes secured by liens on separate parcels of real property in one subdivision or in contiguous subdivisions. For purposes of this subdivision, a promotional note means a promissory note secured by a trust deed, executed on unimproved real property or executed after construction of an improvement of the property but before the first purchase of the property as so improved, or executed as a means of financing the first purchase of the property as so improved, that is subordinate, or by its terms may become subordinate, to any other trust deed on the property. However, the term "promotional note" does not include either of the following: (1) A note that was executed in excess of three years prior to being offered for sale. (2) A note secured by a first trust deed on real property in a subdivision that evidences a bona fide loan made in connection with the financing of the usual cost of the development in a residential, commercial, or industrial building or buildings on the property under a written agreement providing for the disbursement of the loan funds as costs are incurred or in relation to the progress of the work and providing for title insurance ensuring the priority of the security as against mechanic's and materialmen's liens or for the final disbursement of at least 10 percent of the loan funds after the expiration of the period for the filing of mechanic's and materialmen's liens.

(d) The notes or interests are sold by or through a real estate broker, as principal or agent. At the time the interests are originally sold or assigned, neither the broker nor an affiliate of the broker shall have an interest as owner, lessor, or developer of the property securing the loan, or any contractual right to acquire, lease, or develop the property securing the loan. This provision does not prohibit a broker from conducting the following transactions if, in either case, the disclosure statement furnished by the broker pursuant to subdivision (k) discloses the interest of the broker or affiliate in the transaction and the circumstances under which the broker or affiliate acquired the interest:

(1) A transaction in which the broker or an affiliate of the broker is acquiring the property pursuant to a foreclosure under, or sale pursuant to, a deed of trust securing a note for which the broker is the servicing agent or that the broker sold to the holder or holders.

(2) A transaction in which the broker or an affiliate of the broker is reselling from inventory property acquired by the broker pursuant to a foreclosure under, or sale pursuant to, a deed of trust securing a note for which the broker is the servicing agent or that the broker sold to the holder or holders.

(e) (1) The notes or interests shall not be sold to more than 10 persons, each of whom meets one or both of the qualifications of income or net worth set forth below and signs a statement, which shall be retained by the broker for four years, conforming to the following:

Transaction Identifier: _____

Name of Purchaser: _____ Date: _____

Check either one of the following, if true:

() My investment in the transaction does not exceed 10% of my net worth, exclusive of home, furnishings, and automobiles.

(2) The number of offerees shall not be considered for the purposes of this section.

(3) A husband and wife and their dependents, and an individual and his or her dependents, shall be counted as one person.

(4) A retirement plan, trust, business trust, corporation, or other entity that is wholly owned by an individual and the individual's spouse or the individual's dependents, or any combination thereof, shall not be counted separately from the individual, but the investments of these entities shall be aggregated with those of the individual for the purposes of the statement required by paragraph (1). If the investments of any entities are required to be aggregated under this subdivision, the adjusted gross income or net worth of these entities may also be aggregated with the net worth, income, or both, of the individual.

(5) The "institutional investors" enumerated in subdivision (i) of Section 25102 or subdivision (c) of Section 25104 of the Corporations Code, or in a rule adopted pursuant thereto, shall not be counted.

(f) The notes or interests of the purchasers shall be identical in their underlying terms, including the right to direct or require foreclosure, rights to and rate of interest, and other incidents of being a lender, and the sale to each purchaser pursuant to this section shall be upon the same terms, subject to adjustment for the face or principal amount or percentage interest purchased and for interest earned or accrued. This subdivision does not preclude different selling prices for interests to the extent that these differences are reasonably related to changes in the market value of the loan occurring between the sales of these interests. The interest of each purchaser shall be recorded.

(g) (1) Except as provided in paragraph (2), the aggregate principal amount of the notes or interests sold, together with the unpaid principal amount of any encumbrances upon the real property senior thereto, shall not exceed the following percentages of the current market value of the real property, as determined in writing by the broker or appraiser pursuant to Section 10232.6, plus the amount for which the payment of principal and interest in excess of the percentage of current market value is insured for the benefit of the holders of the notes or interests by an insurer admitted to do business in this state by the Insurance Commissioner:

(A) Single-family residence, owner occupied 80%

(B) Single-family residence, not owner occupied 75%

(C) Commercial and income-producing properties..... 65%

(D) Single-family residentially zoned lot or parcel which has installed offsite improvements including drainage, curbs, gutters, sidewalks, paved roads, and utilities as mandated by the political subdivision having jurisdiction over the lot or parcel. 65%

(E) Land that has been zoned for (and if required, approved for subdivision as) commercial or residential development..... 50%

(F) Other real property 35%

(2) The percentage amounts specified in paragraph (1) may be exceeded when and to the extent that the broker determines that the encumbrance of the property in excess of these percentages is reasonable and prudent considering all relevant factors pertaining to the real property. However, in no event shall the aggregate principal amount of the notes or interests sold, together with the unpaid principal amount of any encumbrances upon the property senior thereto, exceed 80 percent of the current fair market value of improved real property or 50 percent of the current fair market value of unimproved real property, except in the case of a single-family zoned lot or parcel as defined in paragraph (1), which shall not exceed 65 percent of the current fair market value of that lot or parcel, plus the amount insured as specified in paragraph (1). A written statement shall be prepared by the broker that sets forth the material considerations and facts that the broker relies upon for his or her determination, which shall be retained as a part of the broker's record of the transaction. Either a copy of the statement or the information contained therein shall be included in the disclosures required pursuant to subdivision (k).

BUSINESS AND PROFESSIONS CODE

(3) A copy of the appraisal or the broker's evaluation shall be delivered to each purchaser. The broker shall advise purchasers of their right to receive a copy. For purposes of this paragraph, "appraisal" means a written estimate of value based upon the assembling, analyzing, and reconciling of facts and value indicators for the real property in question. A broker shall not purport to make an appraisal unless the person so employed is qualified on the basis of special training, preparation, or experience.

(h) The documentation of the transaction shall require that (1) a default upon any interest or note is a default upon all interests or notes and (2) the holders of more than 50 percent of the record beneficial interests of the notes or interests may govern the actions to be taken on behalf of all holders in accordance with Section 2941.9 of the Civil Code in the event of default or foreclosure for matters that require direction or approval of the holders, including designation of the broker, servicing agent, or other person acting on their behalf, and the sale, encumbrance, or lease of real property owned by the holders resulting from foreclosure or receipt of a deed in lieu of foreclosure. The terms called for by this subdivision may be included in the deed of trust, in the assignment of interests, or in any other documentation as is necessary or appropriate to make them binding on the parties.

(i) (1) The broker shall not accept any purchase or loan funds or other consideration from a prospective lender or purchaser, or directly or indirectly cause the funds or other consideration to be deposited in an escrow or trust account, except as to a specific loan or note secured by a deed of trust that the broker owns, is authorized to negotiate, or is unconditionally obligated to buy.

(2) All funds received by the broker from the purchasers or lenders shall be handled in accordance with Section 10145 for disbursement to the persons thereto entitled upon recordation of the interests of the purchasers or lenders in the note and deed of trust. No provision of this section shall be construed as modifying or superseding applicable law regulating the escrowholder in any transaction or the handling of the escrow account.

(3) The books and records of the broker or servicing agent, or both, shall be maintained in a manner that readily identifies transactions under this section and the receipt and disbursement of funds in connection with these transactions.

(4) If required by paragraph (3) of subdivision (j), the review by the independent certified public accountant shall include a sample of transactions, as reflected in the records of the trust account required pursuant to paragraph (1) of subdivision (j), and the bank statements and supporting documents. These documents shall be reviewed for compliance with this section with respect to the handling and distribution of funds. The sample shall be selected at random by the accountant from all these transactions and shall consist of the following:

(A) three sales made or 5 percent of the sales made pursuant to this section during the period for which the examination is conducted, whichever is greater, and

(B) 10 payments processed or 2 percent of payments processed under this section during the period for which the examination is conducted, whichever is greater.

(5) For the purposes of this subdivision, the transaction that constitutes a "sale" is the series of transactions by which a series of notes of a maker, or the interests in the note of a maker, are sold or issued to their various purchasers under this section, including all receipts and disbursements in that process of funds received from the purchasers or lenders. The transaction that constitutes a "payment," for the purposes of this subdivision, is the receipt of a payment from the person obligated on the note or from some other person on behalf of the person so obligated, including the broker or servicing agent, and the distribution of that payment to the persons entitled thereto. If a payment involves an advance paid by the broker or servicing agent as the result of a dishonored check, the inspection shall identify the source of funds from which the payment was made or, in the alternative, the steps that are reasonably necessary to determine that there was not a disbursement of trust funds. The accountant shall inspect for compliance with the following specific provisions of this section: paragraphs (1), (2), and (3) of subdivision (i) and paragraphs (1) and (2) of subdivision (j).

(6) Within 30 days of the close of the period for which the report is made, or within any additional time as the commissioner may in writing allow in a particular case, the accountant shall forward to the broker or servicing agent, as the case may be, and to the commissioner, the report of the accountant, stating that the inspection was performed in accordance with this section, listing the sales and the payments examined, specifying the nature of the deficiencies, if any, noted by the accountant with respect to each sale or payment, together with any further information as the accountant may wish to include, such as corrective steps taken with respect to any deficiency so noted, or stating that no deficiencies were observed. If the broker meets the threshold

BUSINESS AND PROFESSIONS CODE

criteria of Section 10232, the report of the accountant shall be submitted as part of the quarterly reports required under Section 10232.25.

(j) The notes or interests shall be sold subject to a written agreement that obligates a licensed real estate broker, or a person exempted from the licensing requirement for real estate brokers under Chapter 3 (commencing with Section 10130) of Part 1 of Division 4, to act as agent for the purchasers or lenders to service the note or notes and deed of trust, including the receipt and transmission of payments and the institution of foreclosure proceedings in the event of a default. A copy of this servicing agreement shall be delivered to each purchaser. The broker shall offer to the lenders or purchasers the services of the broker or one or more affiliates of the broker, or both, as servicing agent for each transaction conducted pursuant to this section. The agreement shall require all of the following:

(1) (A) That payments received on the note or notes be deposited immediately to a trust account maintained in accordance with this section and with the provisions for trust accounts of licensed real estate brokers contained in Section 10145 and Article 15 (commencing with Section 2830.1) of Chapter 6 of Title 10 of the California Code of Regulations.

(B) That payments deposited pursuant to subparagraph (A) shall not be commingled with the assets of the servicing agent or used for any transaction other than the transaction for which the funds are received.

(2) That payments received on the note or notes shall be transmitted to the purchasers or lenders pro rata according to their respective interests within 25 days after receipt thereof by the agent. If the source for the payment is not the maker of the note, the agent shall inform the purchasers or lenders of the source for payment. A broker or servicing agent who transmits to the purchaser or lenders the broker's or servicing agent's own funds to cover payments due from the borrower but unpaid as a result of a dishonored check may recover the amount of the advances from the trust fund when the past due payment is received. However, this section does not authorize the broker, servicing agent, or any other person to issue, or to engage in any practice constituting, any guarantee or to engage in the practice of advancing payments on behalf of the borrower.

(3) If the broker or person who is or becomes the servicing agent for notes or interests sold pursuant to this section upon which the payments due during any period of three consecutive months in the aggregate exceed one hundred twenty-five thousand dollars (\$125,000) or the number of persons entitled to the payments exceeds 120, the trust account or accounts of that broker or affiliate shall be inspected by an independent certified public accountant at no less than three-month intervals during the time the volume is maintained. Within 30 days after the close of the period for which the review is made, the report of the accountant shall be forwarded as provided in paragraph (5) of subdivision (i). If the broker is required to file an annual report pursuant to subdivision (n) or Section 10232.2, the quarterly report pursuant to this subdivision need not be filed for the last quarter of the year for which the annual report is made. For the purposes of this subdivision, an affiliate of a broker is any person controlled by, controlling, or under common control with the broker.

(4) Unless the servicing agent will receive notice pursuant to Section 2924b of the Civil Code, the servicing agent shall file a request for notice of default upon any prior encumbrances and promptly notify the purchasers or lenders of any default on the prior encumbrances or on the note or notes subject to the servicing agreement.

(5) The servicing agent shall promptly forward copies of the following to each purchaser or lender:

(A) Any notice of trustee sale filed on behalf of the purchasers or lenders.

(B) Any request for reconveyance of the deed of trust received on behalf of the purchasers or lenders.

(k) The broker shall disclose in writing to each purchaser or lender the material facts concerning the transaction on a disclosure form adopted or approved by the commissioner pursuant to Section 10232.5, subject to the following:

(1) The disclosure form shall include a description of the terms upon which the note and deed of trust are being sold, including the terms of the undivided interests being offered therein, including the following:

(A) In the case of the sale of an existing note:

(i) The aggregate sale price of the note.

BUSINESS AND PROFESSIONS CODE

(ii) The percent of the premium over or discount from the principal balance plus accrued but unpaid interest.

(iii) The effective rate of return to the purchasers if the note is paid according to its terms.

(iv) The name and address of the escrowholder for the transaction.

(v) A description of, and the estimated amount of, each cost payable by the seller in connection with the sale and a description of, and the estimated amount of, each cost payable by the purchasers in connection with the sale.

(B) In the case of the origination of a note:

(i) The name and address of the escrowholder for the transaction.

(ii) The anticipated closing date.

(iii) A description of, and the estimated amount of, each cost payable by the borrower in connection with the loan and a description of, and the estimated amount of, each cost payable by the lenders in connection with the loan.

(2) A copy of the written statement or information contained therein, as required by paragraph (2) of subdivision (g), shall be included in the disclosure form.

(3) Any interest of the broker or affiliate in the transaction, as described in subdivision (d), shall be included with the disclosure form.

(4) When the particular circumstances of a transaction make information not specified in the disclosure form material or essential to keep the information provided in the form from being misleading, and the other information is known to the broker, the other information shall also be provided by the broker.

(l) The broker or servicing agent shall furnish any purchaser of a note or interest, upon request, with the names and addresses of the purchasers of the other notes or interests in the loan.

(m) No agreement in connection with a transaction covered by this section shall grant to the real estate broker, the servicing agent, or any affiliate of the broker or agent the option or election to acquire the interests of the purchasers or lenders or to acquire the real property securing the interests. This subdivision shall not prohibit the broker or affiliate from acquiring the interests, with the consent of the purchasers or lenders whose interests are being purchased, or the property, with the consent of the purchasers or lenders, if the consent is given at the time of the acquisition.

(n) Each broker who conducts transactions under this section, or broker or person who becomes the servicing agent for notes or interest sold pursuant to this section, who meets the criteria of paragraph (3) of subdivision (j) shall file with the commissioner an annual report of a review of its trust account. The report shall be prepared and filed in accordance with subdivision (a) of Section 10232.2 and the rules and procedures thereunder of the commissioner. That report shall cover the broker's transactions under this section and, if the broker also meets the threshold criteria set forth in Section 10232, the broker's transactions subject to that section shall be included as well.

(o) Each broker conducting transactions pursuant to this section, or broker or person who becomes the servicing agent for notes or interest sold pursuant to this section, who meets the criteria of paragraph (3) of subdivision (j) shall file with the commissioner a report of the transactions that is prepared in accordance with subdivision (c) of Section 10232.2. If the broker also meets the threshold criteria of Section 10232, the report shall include the transactions subject to that section as well. This report shall be confidential pursuant to subdivision (f) of Section 10232.2.

(p) The jurisdiction of the Commissioner of Corporations under the Corporate Securities Law of 1968 shall be neither limited nor expanded by this section. Nothing in this section shall be construed to supersede or restrict the application of the Corporate Securities Law of 1968. A transaction under this section shall not be construed to be a transaction involving the issuance of securities subject to authorization by the Real Estate Commissioner under subdivision (e) of Section 25100 of the Corporations Code.

(q) Nothing in this section shall be construed to change the agency relationships between the parties where they exist or limit in any manner the fiduciary duty of brokers to borrowers, lenders, and purchasers of notes or interests in transactions subject to this section.

(b) No charge may be imposed more than once for the same late payment of an installment. No late charge may be imposed on any installment which is paid or tendered in full within 10 days after its scheduled due date, even though an earlier maturing installment or a late charge on an earlier installment may not have been paid in full. (c) A late-payment charge may be imposed pursuant to this subdivision for the payment of any balloon payment more than 10 days after the date due. The charge shall not exceed an amount equal to the maximum late charge that could have been assessed with respect to the largest single monthly installment previously due, other than the balloon payment, multiplied by the sum of one plus the number of months occurring since the late-payment charge began to accrue. For purposes of this subdivision, "month" means the period between a particular day of a calendar month and the same day of the next calendar month.

However, nothing contained herein shall prohibit a broker from recording a lien pursuant to a voluntary lien agreement in conjunction with a stipulation to dismiss an actual or proposed complaint for damages entitling the broker to such charges, costs or expenses after written notice to the borrower that the broker proposes or has initiated a complaint for damages pursuant to the Code of Civil Procedure.

Substantially Equal Payments – Loans Under Three Years

No installment including the final installment shall be greater than twice the amount of the smallest installment.

If any loan having an original maturity period of less than three (3) years is renewed or refinanced, the total amount of charges to be paid on both the original obligation and the balance of such obligation, as renewed or refinanced, shall not in the aggregate exceed the amount of charges as provided in Section 10242, and if such a loan is renewed or refinanced through the person who negotiated the original loan, the total amount of costs and expenses to be paid on both the original obligation and the renewed or refinanced obligation shall not exceed in the aggregate the amount of costs and expenses authorized in subdivision (a) of said section.

The provisions of this section do not apply to a bona fide loan, secured by a first trust deed on real property, made in connection with the financing of the usual costs of the development of a residential, commercial or industrial building or buildings on the property under a written agreement providing for the disbursement of the loan funds as costs are incurred or in relation to the progress of the work and providing for title insurance insuring the priority of the security as against mechanic's and materialmen's liens or for the final disbursement of at least ten (10) percent of the loan funds after the expiration of the period for the filing of mechanics' and materialmen's liens.

This section does not apply to a note given back to the seller by the purchaser on account for the purchase price or any collateral loans secured solely by such a note. As used in this section, "owner-occupied dwelling" means a single dwelling unit in a condominium or cooperative or a residential building of less than three separate dwelling units, one of which will be owned and occupied by a signatory to the mortgage or deed of trust secured by such dwelling within 90 days of the execution of the mortgage or deed of trust.

10247. (b) If a loan is negotiated in violation of any section of this article, the licensee, on demand, shall return to the borrower any bonus, brokerage or commission paid or payable under subdivision (b) of Section 10242 for negotiation of such loans. In the event such demand is not satisfied within 20 days from the date of written demand, the borrower may commence an action under this subdivision and may recover actual damages or twice any bonus, brokerage, or commission paid or payable under subdivision (b) of Section 10242 for the negotiation of said loan whichever is greater, plus costs and reasonable attorney's fees.

The "date of written demand" shall mean either the date upon which the written demand is personally delivered to the licensee or the date upon which the written demand is mailed to the licensee.

A licensee may not be held liable in any action brought under this section for a violation of this article if the licensee shows by a preponderance of evidence that the violation was not intentional and resulted from a bona fide error notwithstanding the maintenance of procedures reasonably adapted to avoid any such error.

If the borrower proceeds under this section he may not proceed under Section 10246 as to the same breach.

(c) If a real estate licensee subject to the provisions of this article violates any provision of Section 10241.1 he shall be liable for, and pay over to the borrower, any commission or experience rating dividend attributable to the insurance written on that loan received by the licensee as a result of the sale of such insurance to the borrower in violation of Section 10241.1 in addition to any premium loss due to short rate cancellation of any insurance subject to Section 10248.1 which was purchased by the borrower.

The commissioner may adopt regulations as reasonably necessary to enforce this article.

This section shall remain in effect unless it is superseded pursuant to Section 10226 or subdivision (a) of Section 10226.5, whichever is applicable.

Conditional Permit

10250.4. The commissioner may issue a conditional permit for a subdivision. The conditional permit shall be issued on the same basis and conditions upon which the commissioner may issue conditional public reports for subdivisions located within the state.

Violation – Desist and Refrain Order

10250.51. Whenever the commissioner finds that any person is violating the provisions of this article, that any person is conducting business in an unsafe or injurious manner, that the further sale of subdivision interests under the provisions of this article would be unfair, unjust, or inequitable, or that the method used in those sales would be a fraud upon the purchasers, the commissioner may order the person to desist and refrain from violating the provisions of this article or from further sales in accordance with the procedures set forth in Section 10086.

Permit Required

10250.52. No interest in a subdivision, as defined in Section 10250.1, shall be sold to the public unless either the subdivider or person offering the interest for sale first obtains a permit from the commissioner.

Insofar as possible, the provisions of Section 1018 of the Code of Civil Procedure relating to service of process on the Secretary of State are applicable to this section.

Use of Qualifying Information Submitted to Another State

10250.8. The commissioner shall reinstate such an applicant if he finds that the applicant would be entitled to the privileges of this article except for his failure to give the commissioner notice of his entry into the military service of the United States and that the applicant has complied with Article 2.5 (commencing with Section 10170). In the event the applicant failed to notify the commissioner of his entry into the military service as provided, he shall be required to submit proof of his previous licensure within seven years of the date of entry into the military service to permit reinstatement of his license.

As used in this chapter, "court of competent jurisdiction" includes the federal courts, but does not include the courts of another state.

(b) The application shall be delivered in person or by certified mail to an office of the department not later than one year after the judgment has become final.

(c) The application shall be made on a form prescribed by the department, verified by the claimant, and shall include the following:

- (5) (A) Except as provided in subparagraph (B), a statement by the claimant, signed under penalty of perjury, that the complaint upon which the underlying judgment is based was prosecuted conscientiously and in good faith. As used in this section, "conscientiously and in good faith" means that no party potentially liable to the claimant in the underlying transaction was intentionally and without good cause omitted from the complaint, that no party named in the complaint who otherwise reasonably appeared capable of responding in damages was dismissed from the complaint intentionally and without good cause, and that the claimant employed no other procedural means contrary to the diligent prosecution of the complaint in order to seek to qualify for the Recovery Account.
(B) For the purpose of an application based on a criminal restitution order, all of the following statements by the claimant:
 - (i) The claimant has not intentionally and without good cause failed to pursue any person potentially liable to the claimant in the underlying transaction other than a defendant who is the subject of a criminal restitution order.

(E) That he or she has diligently pursued collection efforts against all judgment debtors and all other persons liable to the claimant in the transaction that is the basis for the underlying judgment.

(F) That the underlying judgment and debt have not been discharged in bankruptcy, or, in the case of a bankruptcy proceeding that is open at or after the time of the filing of the application, that the judgment and debt have been declared to be nondischargeable.

(G) That the application was mailed or delivered to the department no later than one year after the underlying judgment became final.

(d) If the claimant is basing his or her application upon a judgment against a salesperson, and the claimant has not obtained a judgment against that salesperson's employing broker, if any, or has not diligently pursued the assets of that broker, the application shall be denied for failure to diligently pursue the assets of all other persons liable to the claimant in the transaction unless the claimant can demonstrate, by clear and convincing evidence, either that the salesperson was not employed by a broker at the time of the transaction, or that the salesperson's employing broker would not have been liable to the claimant because the salesperson was acting outside the scope of his or her employment by the broker in the transaction.

(e) The application form shall include detailed instructions with respect to documentary evidence, pleadings, court rulings, the products of discovery in the underlying litigation, and a notice to the applicant of his or her obligation to protect the underlying judgment from discharge in bankruptcy, to be appended to the application.

(b) If the judgment debtor holds an unexpired and unrevoked license issued by the department, service of the notice and a copy of the application may be made by certified mail addressed to the judgment debtor at the latest business or residence address on file with the department. If the judgment debtor does not hold an unexpired and unrevoked license issued by the department and personal service cannot be effected through the exercise of reasonable diligence, the claimant shall serve the judgment debtor by one publication of the notice in each of two successive weeks in a newspaper of general circulation published in the county in which the judgment debtor was last known to reside.

(c) If the application is served upon the judgment debtor by certified mail, service is complete five days after mailing if the place of address is within the State of California, 10 days after mailing if the place of address is outside the State of California but within the United States, and 20 days after mailing if the place of address is outside the United States. Personal service is complete on the date of service. Service by publication is complete upon completion of the second week of publication.

(d) If a judgment debtor wishes to contest payment of an application by the commissioner, he or she shall mail or deliver a written response to the application addressed to the department at its headquarters office within 30 days after service of the notice and application, and shall mail or deliver a copy of the response to the claimant. (e) The notice served upon the judgment debtor shall include the following statement:

"NOTICE: Based upon a judgment entered against you in favor of _____,
(name of claimant)

application for payment from the Recovery Account of the Real Estate Fund is being made to the Department of Real Estate.

"If payment is made from the Recovery Account, all licenses and license rights that you have under the Real Estate Law will be automatically suspended on the date of payment and cannot be reinstated until the Recovery Account has been reimbursed for the amount paid plus interest at the prevailing rate.

"If you wish to contest payment by the Real Estate Commissioner, you must file a written response to the application addressed to the Department of Real Estate at _____ within 30 days after mailing, delivery, or publication of this notice and mail or deliver a copy of that response to the claimant. If you fail to do so, you will have waived your right to present your objections to payment."

(f) If a judgment debtor fails to mail or deliver a written response to the application with the department within 30 days after personal service, mailing, or final publication of the notice, the judgment debtor shall not thereafter be entitled to notice of any action taken or proposed to be taken by the commissioner with respect to the application.

Deficient or Substantially Complete Application

10471.2. (a) If the commissioner determines that the application as submitted by the claimant fails to comply substantially with the requirements of Section 10471 or with the requirements of a regulation adopted by the commissioner under authority of Section 10080, the commissioner shall, within 15 days after receipt of the application, mail an itemized list of deficiencies to the claimant.

(b) The time within which the commissioner is required to act under Section 10471.3 shall be measured from the date of receipt by the department of an application that is substantially complete. In the event of an irreconcilable dispute between the claimant and the commissioner on the question of whether the application is substantially complete, the claimant may immediately file the claim with the court pursuant to Section 10472.

Final Decision – Settlement

10471.3. (a) The commissioner shall render a final written decision on the application within 90 days after a completed application has been received unless the claimant agrees in writing to extend the time within which the commissioner may render a decision. If the commissioner fails to render a written decision in response to the claim within 90 days after its receipt or within the extended period agreed to by the claimant, the claim shall be deemed to have been denied by the commissioner on the final day for rendering the decision.

(b) The commissioner may deny or grant the application or may enter into a compromise with the claimant to pay less in settlement than the full amount of the claim. If the claimant refuses to accept a settlement of the claim offered by the commissioner, the written decision of the commissioner shall be to deny the claim or it shall be deemed denied if a written decision is not rendered within the time specified in subdivision (a). Evidence of settlement offers and discussions between the commissioner and the claimant shall not be competent evidence in judicial proceedings undertaken by the claimant pursuant to Section 10472.

Consideration of an Application

10471.4. In its consideration and investigation of an application, the department shall have recourse to all appropriate means of investigation and discovery available to it under Article 2 (commencing with Section 11180) of Chapter 2 of Part 1 of Division 3 of Title 2 of the Government Code.

Notice of Decision

10471.5. (a) The commissioner shall give notice of a decision rendered with respect to the application to the claimant and to a judgment debtor who has filed a timely response to the application in accordance with Section 10471.1.

If the underlying judgment is a

BUSINESS AND PROFESSIONS CODE

California state court judgment, the application shall be filed in the court in which the underlying judgment was entered. If the underlying judgment is a federal court judgment, the application shall be filed in the superior court of any county within California that would have been a proper venue if the underlying lawsuit had been filed in a California state court, or in the Superior Court of the County of Sacramento."

(c) If the decision of the commissioner is to make a payment to the claimant out of the Recovery Account, the following notice shall be given to the judgment debtor along with a copy of the decision of the commissioner:

"The decision of the Real Estate Commissioner on the application of ____ is to pay \$____ from the Recovery Account. A copy of that decision is enclosed.

"Pursuant to Section 10475 of the Business and Professions Code, all of your licenses and license rights under the Real Estate Law will be suspended effective on the date of the payment, and you will not be eligible for reinstatement of any license issued under authority of the Real Estate Law until you have reimbursed the Recovery Account for this payment plus interest at the prevailing legal rate."

"If you desire a judicial review of the suspension of your licenses and license rights, you may petition the superior court for a writ of mandamus. If the underlying judgment is a California state court judgment, the petition shall be filed in the court in which the judgment was entered. If the underlying judgment is a federal court judgment, the petition shall be filed in the superior court of any county within California that would have been a proper venue if the underlying lawsuit had been filed in a California state court, or in the Superior Court of the County of Sacramento. To be timely, the petition must be filed with the court within 30 days of receipt of this notice."

Aggregate Claims – Proration

10471.6. If, at any time prior to the rendering of a decision on an application, the commissioner makes a preliminary determination that the aggregate valid applications of all aggrieved persons against that licensee are likely to exceed the limits of liability in Section 10474, the commissioner shall, in lieu of further administrative proceedings, initiate a proration proceeding pursuant to Section 10474.5 in a superior court of any county in this state that would be a proper court for the filing of a denied application or writ of mandamus pursuant to Section 10471.5.

10472. (a) A claimant against whom the commissioner has rendered a decision denying an application pursuant to Section 10471 may, within six months after the mailing of the notice of the denial, file a verified application in superior court for an Order Directing Payment Out of the Recovery Account based upon the grounds set forth in the application to the commissioner. If the underlying judgment is a California state court judgment, the application shall be filed in the court in which the underlying judgment was entered. If the underlying judgment is a federal court judgment, the application shall be filed in the superior court of any county within California that would have been a proper venue if the underlying lawsuit had been filed in a California state court, or in the Superior Court of the County of Sacramento.

(b) A copy of the verified application shall be served upon the commissioner and upon the judgment debtor. A certificate or affidavit of service shall be filed by the claimant with the court. Service on the commissioner may be made by certified mail addressed to the headquarters office of the department. Service upon a judgment debtor may be made in accordance with Section 10471.1. The notice served upon the judgment debtor shall read as follows:

"NOTICE: An application has been filed with the court for a payment from the Recovery Account that was previously denied by the Real Estate Commissioner.

"If the Department of Real Estate makes a payment from the Recovery Account pursuant to court order, all of your licenses and license rights under the Real Estate Law will be automatically suspended until the Recovery Account has been reimbursed for the amount paid plus interest at the prevailing rate.

"If you wish to defend in court against this application, you must file a written response with the court within 30 days after having been served with a copy of the application. If you do not file a written response, you will have waived your right to defend against the application."

Thirty Days to File Written Response

10472.1. (a) The commissioner and the judgment debtor shall each have 30 days after being served with the application in which to file a written response. The court shall thereafter set the matter for hearing upon the petition of the claimant. The court shall grant a request of the commissioner for a continuance of as much as 30 days and may, upon a showing of good cause by any party, continue the hearing as the court deems appropriate.

BUSINESS AND PROFESSIONS CODE

(b) The claimant shall have the burden of proving compliance with the requirements of Section 10471 by competent evidence at an evidentiary hearing. The claimant shall be entitled to a de novo review of the merits of the application as contained in the administrative record.

(c) If the judgment debtor fails to file a written response to the application, the application may be compromised or settled by the commissioner at any time during the court proceedings and the court shall, upon joint petition of the claimant and the commissioner, issue an order directing payment out of the Recovery Account.

Commissioner's Right to Defend and Review

10473. Whenever the court proceeds upon an application under Section 10472, it shall order payment out of the Recovery Account only upon a determination that the aggrieved party has a valid cause of action within the purview of Section 10471, and has complied with Section 10472.

The commissioner may defend any such action on behalf of the Recovery Account and shall have recourse to all appropriate means of defense and review, including examination of witnesses and the right to relitigate any issues material and relevant in the proceeding against the Recovery Account which were determined in the underlying action on which the judgment in favor of the applicant was based. If the judgment in favor of the applicant was by default, stipulation, consent, or pursuant to Section 594 of the Code of Civil Procedure, or whenever the action against the licensee was defended by a trustee in bankruptcy, the applicant shall have the burden of proving that the cause of action against the licensee was for fraud, misrepresentation, deceit, or conversion of trust funds. Otherwise, the judgment shall create a rebuttable presumption of the fraud, misrepresentation, deceit, or conversion of trust funds by the licensee, which presumption shall affect the burden of producing evidence.

The commissioner may move the court at any time to dismiss the application when it appears there are no triable issues and the petition is without merit. The motion may be supported by affidavit of any person or persons having knowledge of the facts, and may be made on the basis that the petition, and the judgment referred to therein, does not form the basis for a meritorious recovery claim within the purview of Section 10471; provided, however, the commissioner shall give written notice at least 10 days before the motion.

The commissioner may, subject to court approval, compromise a claim based upon the application of an aggrieved party. The commissioner shall not be bound by any compromise or stipulation of the judgment debtor.

Judgment Debtor's Right to Defend – Conclusive Adjudication

10473.1. The judgment debtor may defend an action against the Recovery Account on his or her own behalf and shall have recourse to all appropriate means of defense and review, including examination of witnesses. All matters, including, but not limited to, the issues of fraud, misrepresentation, deceit, or conversion of trust funds, finally adjudicated in the underlying action are conclusive as to the judgment debtor and the applicant in the proceeding against the Recovery Account.

Court Order to Pay – Limitations – Multiple Licensed Personnel

10474. Notwithstanding any other provision of this chapter and regardless of the number of persons aggrieved or parcels of real estate involved in a transaction or the number of judgments against a licensee, the liability of the Recovery Account shall not exceed the following amounts:

(a) For causes of action which occurred on or after July 1, 1964, and prior to January 1, 1975, ten thousand dollars (\$10,000) for any one transaction and twenty thousand dollars (\$20,000) for any one licensee.

(b) For causes of action which occurred on or after January 1, 1975, and prior to January 1, 1980, ten thousand dollars (\$10,000) for any one transaction and forty thousand dollars (\$40,000) for any one licensee.

(c) For causes of action which occurred on or after January 1, 1980, twenty thousand dollars (\$20,000) for any one transaction and one hundred thousand dollars (\$100,000) for any one licensee.

(d) When multiple licensed real estate personnel are involved in a transaction and the individual conduct of two or more of the licensees results in a judgment meeting the requirements of subdivision (a) of Section 10471, the claimant may seek recovery from the Recovery Account based on the judgment against any of the licensed real estate personnel, subject to the limitations of this section and subparagraph (E) of paragraph (7) of subdivision (c) of Section 10471.

Claims Equitably Distributed

10474.5. If the amount of liability of the Recovery Account as provided for in Section 10474 is insufficient to pay in full the valid claims of all aggrieved persons by whom claims have been filed against any one licensee, the amount shall be distributed among them in the ratio that their respective claims bear to the aggregate of the valid

BUSINESS AND PROFESSIONS CODE

claims, or in any other manner as the court deems equitable. Distribution of any moneys shall be among the persons entitled to share therein, without regard to the order of priority in which their respective judgments may have been obtained or their claims have been filed. Upon petition of the commissioner, the court may require all claimants and prospective claimants against one licensee to be joined in one action, to the end that the respective rights of all claimants to the Recovery Account may be equitably adjudicated and settled.

License Suspension

10475. Should the commissioner pay from the Recovery Account any amount in settlement of a claim or toward satisfaction of a judgment against a licensed broker or salesperson, the license of the broker or salesperson shall be automatically suspended upon the date of payment from the Recovery Account. No broker or salesperson shall be granted reinstatement until he or she has repaid in full, plus interest at the prevailing legal rate applicable to a judgment rendered in any court of this state, the amount paid from the Recovery Account on his or her account. A discharge in bankruptcy shall not relieve a person from the penalties and disabilities provided in this chapter.

Insufficient Funds – Priority of Payment When Money Deposited

10476. If, at any time, the money deposited in the Recovery Account is insufficient to satisfy any duly authorized claim or portion thereof, the commissioner shall, when sufficient money has been deposited in the Recovery Account, satisfy the unpaid claims or portions thereof, in the order that the claims or portions thereof were originally filed, plus accumulated interest at the rate of 4 percent a year.

Deposit of Money – Allocation

10477. Any sums received by the commissioner pursuant to any provisions of this chapter shall be deposited in the State Treasury and credited to the Recovery Account.

Liability for False Documents

10478. It shall be unlawful for any person or the agent of any person to file with the commissioner any notice, statement, or other document required under the provisions of this chapter which is false or untrue or contains any willful, material misstatement of fact. Such conduct shall constitute a public offense punishable by imprisonment in the county jail for a period of not more than one year or a fine of not more than one thousand dollars (\$1,000), or both.

Commissioner's Right to Subrogation

10479. When the commissioner has paid from the Recovery Account any sum to the judgment creditor, the commissioner shall be subrogated to all of the rights of the judgment creditor and the judgment creditor shall assign all of his or her right, title, and interest in the judgment to the commissioner and any amount and interest so recovered by the commissioner on the judgment shall be deposited to the Recovery Account.

Waiver of Rights

10480. The failure of an aggrieved person to comply with all of the provisions of this chapter shall constitute a waiver of any rights hereunder.

Disciplinary Action Against Licensee

10481. Nothing in this chapter limits the authority of the commissioner to take disciplinary action against any licensee for a violation of the Real Estate Law, or of Chapter 1 (commencing with Section 11000) of Part 2, or of the rules and regulations of the commissioner; nor shall the repayment in full of all obligations to the Recovery Account by any licensee nullify or modify the effect of any other disciplinary proceeding brought pursuant to the Real Estate Law.

(5) The federal or state agency shall receive from the attorney for the recipient of the financing or subsidy a legal opinion that the cooperative meets the requirements of Section 33007.5 of the Health and Safety Code and the exemption provided by this section.

(c) Any limited-equity cooperative which meets the requirements for exemption pursuant to subdivision (b) may elect to be subject to all provisions of this chapter.

(d) The developer of the cooperative shall notify the Department of Real Estate, on a form provided by the department, that an exemption is claimed under this section. The Department of Real Estate shall retain this form for at least four years for statistical purposes.

"Time-Share Project" Defined

11003.5 (a) A "time-share project" is one in which a purchaser receives the right in perpetuity, for life, or for a term of years, to the recurrent, exclusive use or occupancy of a lot, parcel, unit, or segment of real property, annually or on some other periodic basis, for a period of time that has been or will be allotted from the use or occupancy periods into which the project has been divided.

(b) A "time-share estate" is a right of occupancy in a time-share project which is coupled with an estate in the real property.

(c) A "time-share use" is a license or contractual or membership right of occupancy in a time-share project which is not coupled with an estate in the real property.

BUSINESS AND PROFESSIONS CODE

(d) An "exchange program" is any method, arrangement, or procedure for the voluntary exchange of the right to use and occupy accommodations and facilities among purchasers of time-share interests or other property interests. An "exchange program" does not include the assignment of the right to use and occupy accommodations and facilities to purchasers of time-share interests pursuant to a reservation system. Any method, arrangement, or procedure that otherwise meets this definition, wherein the purchaser's total contractual financial obligation exceeds three thousand dollars (\$3,000) per time-share interest shall be regulated as a multisite time-share project and shall be subject to the provisions of this article.

(e) An "incidental benefit" is an accommodation, product, service, discount, or other benefit, other than an exchange program, which is offered to a prospective purchaser of a time-share interest prior to the end of the rescission period set forth in Section 11024, the continuing availability of which for the use and enjoyment of owners of time-share interests in the time-share project is limited to a term of not more than five years.

(f) A "multisite time-share project" is any method, arrangement, or procedure, with respect to which a purchaser obtains, by any means, a recurring right to use and occupy accommodations or facilities in a time-share project consisting of more than one component site, only through use of a reservation system, on a nonpriority basis. The term does not include an exchange program wherein the purchaser's total contractual financial obligation does not exceed three thousand dollars (\$3,000) per time-share interest or a single-site time-share project.

(g) A "reservation system" is the method, arrangement, or procedure by which a purchaser of a time-share interest, (1) in order to reserve the use and occupancy of any accommodation or facility of a multisite time-share project or qualified resort vacation club for one or more use periods is required to compete with other owners of time-share interests in that multisite time-share project or qualified resort vacation club or (2) in order to reserve the use and occupancy of any accommodation or facility of a component site associated with a single-site time-share project is required to compete with other owners of time-share interests in those component sites, regardless of whether that reservation system is operated and maintained by (A) the person responsible for the operation and administration of that time-share project, (B) an exchange company, or (C) any other person. In the event that an owner of a time-share interest is required to use an exchange program as the owner's principal means of obtaining the right to use and occupy the accommodations and facilities of any time-share project, that arrangement shall be a reservation system.

(h) (1) A "single-site time-share project" is a time-share project consisting of a single geographic site wherein a purchaser of a time-share interest in that site receives a recurring right to reserve, on a priority basis, the use or occupancy of accommodations and facilities at that site. A single-site time-share project may be associated with other time-share projects, or other accommodations under a contractual or membership program through a reservation system.

(2) (A) A single-site time-share project shall not be deemed to be a multisite time-share project solely on the basis of the required use of a reservation system. If use of the reservation system is mandatory, the agreement for affiliation of the single-site time-share project shall provide for an initial term of not more than five years, and may further provide for automatic term renewals for additional successive terms of five years, unless at a duly noticed meeting of the membership of the association, or pursuant to an action without a meeting taken in accordance with subdivisions (a), (b), (c), and (d) of Section 7513 of the Corporations Code, a motion to terminate the reservation system affiliation agreement is approved by the membership pursuant to subparagraphs (B), (C), and (D).

(B) A motion on the question of termination of a reservation system affiliation agreement may be initiated by any person specified in subdivision (e) of Section 7510 of the Corporations Code, and shall be considered by the membership not more than 120 and not less than 30 days prior to expiration of its term.

(C) The quorum for any meeting of the membership to consider the termination of a reservation system affiliation agreement shall be not more than 30 percent of the voting power of the association residing in members other than the subdivider. The vote necessary to terminate the reservation system affiliation agreement in an action without a meeting or at a meeting at which a quorum is present by ballot, in person, or by proxy shall be the greater of (i) 25 percent of the voting power of the association residing in members other than the subdivider, or (ii) a majority of the voting power of the association voting at a meeting or in an action without a meeting by ballot, in person or by proxy, residing in members other than the subdivider.

BUSINESS AND PROFESSIONS CODE

(D) Notwithstanding subdivision (a) of Section 7513 of the Corporations Code, an action without a meeting on the question of termination of a reservation system affiliation agreement may be taken even if prohibited by the association's articles or bylaws.

(E) The cost assessed to a time-share owner or to an association of time-share owners for the reservation system that is more than 10 percent greater than the reservation system assessment for the immediately preceding fiscal year may not be levied without the vote or written assent of the same percentage of the voting power of the association set forth in subparagraph (C).

- (3) "Substantially complete" means that a notice and application contain all requirements as set forth in the regulations of the commissioner.

(b) Upon receipt of a notice of intention pursuant to Section 11010 and an application for issuance of a public report, the commissioner shall review the notice and application to determine if the notice and application are substantially complete, with respect to quantitative requirements. The commissioner shall notify the applicant in writing of that determination within 10 days of receipt of the notice and application.

(1) If the notice and application are not substantially complete with respect to the quantitative requirements pursuant to this subdivision, the notification shall specify the information needed to make the notice and application substantially complete. Upon receipt of any resubmittal of a notice and application, the commissioner shall notify the applicant in writing of that determination within 10 days of receipt of the notice and application.

(2) If the commissioner determines that the notice and application are substantially complete with respect to the quantitative requirements pursuant to this subdivision, the commissioner shall provide the applicant with a list of all deficiencies and substantive inadequacies necessary for the notice and application to be qualitatively complete, within 60 days of that determination, in the case of subdivisions specified in Section 11000.1 or 11004.5, and within 20 days of that determination, in the case of other subdivisions.

(c) Upon receipt of all documents, materials, writings, and other information submitted in response to the list in paragraph (2) of subdivision (b), the commissioner shall notify the applicant whether the notice and application are qualitatively complete within 30 days, in the case of subdivisions specified in Section 11000.1 or 11004.5, and within 20 days of receipt, in the case of other subdivisions. (d) The commissioner shall issue a public report within 15 days, in the case of a subdivision specified in Section 11000.1 or 11004.5, or 10 days, in the case of other subdivisions, after the notice and application are determined to be qualitatively and substantially complete, and submittal of recorded or filed instruments and evidence of financial arrangements required by the commissioner.

BUSINESS AND PROFESSIONS CODE

(e) Upon receipt of an application for approval of a declaration as provided in Section 11010.10, the commissioner shall notify the applicant of any deficiency or inadequacy in the declaration within 60 days of its receipt. The commissioner shall notify the applicant of any deficiency or inadequacy in a declaration that has been revised following the first notice of deficiency or inadequacy within 30 days of its receipt.

(f) The commissioner shall adopt regulations, in accordance with Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, that define "substantially complete" and that list all the requirements necessary for a notice of intention and application to be considered "substantially complete."

(g) The commissioner may adopt emergency regulations, in accordance with Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, to increase, as set forth below, those time periods specified in subdivisions (b), (c), and (d), upon a showing that the number of notices of intention and applications for a subdivision public report filed with the department for any immediately preceding six-month period has increased by more than 15 percent over the monthly average number of notices and applications filed for the base period commencing July 1, 1983, and ending June 30, 1986:

(2) The time for providing the listing required by paragraph (2) of subdivision (b) shall increase to 90 days, in the case of subdivisions specified in Sections 11000.1 and 11004.5, and to 30 days, in the case of other subdivisions.

(3) The time period provided in subdivision (c) for responding to receipt of documents intended to correct deficiencies shall be 30 days without regard to the type of subdivision being processed.

(4) The time periods provided in subdivision (d) within which the commissioner is required to issue a public report in the case of subdivisions specified in Sections 11000.1 and 11004.5, shall increase to 30 days and in the case of other subdivisions shall increase to 15 days.

This section does not apply to filings made exclusively under Section 11010.1. Nothing in this section requires the commissioner to issue a public report where grounds for denial exist, provided that issuance of a public report shall not be denied for inadequate information if the cause thereof is the commissioner's failure to comply with this section.

Notwithstanding other provisions of this section, the commissioner shall not be required to issue a public report if grounds for denial exist under Section 11018 or 11018.5. However, the commissioner may not base the denial of a public report on the lack of adequate information if the commissioner has not acted within the time periods prescribed in this section.

Exemption – Industrial and Commercial Subdivisions

11010.3. The provisions of this chapter shall not apply to the proposed sale or lease of lots or other interests in a subdivision in which lots or other interests are (a) limited to industrial or commercial uses by zoning or (b) limited to industrial or commercial uses by a declaration of covenants, conditions, and restrictions, which declaration has been recorded in the official records of the county or counties in which the subdivision is located.

Other Notice of Intention Exemption

11010.4. The notice of intention specified in Section 11010 is not required for a proposed offering of subdivided land that satisfies all of the following criteria:

(a) The owner, subdivider, or agent has complied with Sections 11013.1, 11013.2, and 11013.4, if applicable.

(b) The subdivided land is not a subdivision as defined in Section 11000.1 or 11004.5.

(c) Each lot, parcel or unit of the subdivision is located entirely within the boundaries of a city.

(d) Each lot, parcel or unit of the subdivision will be sold or offered for sale improved with a completed residential structure and with all other improvements completed that are necessary to occupancy or with financial arrangements determined to be adequate by the city to ensure completion of the improvements.

Exceptions to Filing Second Notice of Intention

11010.5. The filing of a second notice of intention to sell and a second report of the commissioner under this article shall not be required when all the following conditions have been met:

(a) where there has been a previous subdivision report and the lots are subsequently acquired through any foreclosure action, or by a deed in lieu of foreclosure, by a bank, life insurance company, industrial loan company,

BUSINESS AND PROFESSIONS CODE

credit union, or savings and loan association licensed or operating under the provisions of a state or federal law if the acquired lots, either improved or unimproved, will be sold in conformance with the previously issued subdivision public report;

(b) the original public report is given to the first purchasers of the lots in the foreclosed subdivision; and

(c) the commissioner is notified of the change of ownership within 30 days of the acquisition of the title to such property.

Notice of Intention Exemption – Public Agencies

11010.6. The provisions of this chapter shall not be applicable to subdivided land which is offered or proposed to be offered for sale, lease, or financing by a state agency, including the University of California, a local agency, or other public agency.

Exception – Nonbinding Expression of Intent to Purchase

11010.7. The notice of intention specified in Section 11010 shall not apply to nonbinding expressions of intent to purchase or lease which an owner, agent, or subdivider is required to obtain from the tenants of units which are proposed to be converted to a condominium, community apartment project, or stock cooperative project, by ordinance, or as a condition to the approval of a tentative or parcel map pursuant to Division 2 (commencing with Section 66410) of Title 7 of the Government Code.

Exception – Mobilehome Park Purchase by Nonprofit Corporation

11010.8. (a) The requirement that a notice of intention be filed pursuant to Section 11010 is not applicable to the purchase of a mobilehome park by a nonprofit corporation if all of the following occur:

(1) A majority of the shareholders or members of the nonprofit corporation constitute a majority of the homeowners of the mobilehome park, and a majority of the members of the board of directors of the nonprofit corporation are homeowners of the mobilehome park.

(2) All members of the corporation are residents of the mobilehome park. Members of the nonprofit corporation may enter into leases with the corporation that are greater than five years in length. "Homeowners" or "residents" of the mobilehome park shall include a bona fide secured party who has, pursuant to a security interest in a membership, taken title to the membership by means of foreclosure, repossession, or voluntary repossession, and who is actively attempting to resell the membership to a prospective resident or homeowner of the mobilehome park, in accordance with subdivision (f) of Section 7312 of the Corporations Code.

(3) A permit to issue securities under Section 25113 of the Corporations Code is obtained from the Department of Corporations. In the case of a nonissuer transaction (as defined by Section 25011 of the Corporations Code) involving the offer to resell or the resale of memberships by a bona fide secured party as described in paragraph (2) of this section, a permit is not required where the transaction is exempt from the qualification requirements of Section 25130 of the Corporations Code pursuant to subdivision (e) of Section 25104 of the Corporations Code. The exemption from qualification pursuant to subdivision (e) of Section 25104 of the Corporations Code available to a bona fide secured party does not eliminate the requirement of this section that the nonprofit corporation shall either file a notice of intention pursuant to Section 11010 or obtain a permit pursuant to Section 25113 of the Corporations Code.

(4) All funds of tenants for the purchase of the mobilehome park are deposited in escrow until the document transferring title of the mobilehome park to the nonprofit corporation is recorded. The escrow also shall include funds of homeowners that shall be available to the homeowners association nonprofit corporation for payment of any and all costs reasonably associated with the processing and conversion of the mobilehome park into condominium interests. Payment of these costs may be made from the funds deposited in escrow prior to the close of escrow upon the direction of the homeowners association nonprofit corporation.

(b) The funds described by paragraph (4) of subdivision (a), or any other funds subsequently received from tenants for purposes other than the purchase of a separate subdivided interest in any portion of the mobilehome park, are not subject to the requirements of Section 11013.1, 11013.2, or 11013.4.

Mobilehome Park Conversion – Disclosures Regarding Prices

11010.9. (a) Notwithstanding any other provision of law, the subdivider of a mobilehome park that is proposed to be converted to resident ownership, prior to filing a notice of intention pursuant to Section 11010, shall disclose to homeowners and residents of the park, by written notice, the tentative price of the subdivided interest proposed to be sold or leased.

BUSINESS AND PROFESSIONS CODE

(b) The disclosure notice required by subdivision (a) shall include a statement that the tentative price is not binding, could change between the time of disclosure and the time of governmental approval to commence the actual sale or lease of the subdivided interests in the park, as the result of conditions imposed by the state or local government for approval of the park conversion, increased financing costs, or other factors and, in the absence of bad faith, shall not give rise to a claim for liability against the provider of this information.

(c) The disclosure notice required by subdivision (a) shall not be construed to authorize the subdivider of a mobilehome park that is proposed to be converted to resident ownership to offer to sell or lease, sell or lease, or accept money for the sale or lease of, subdivided interests in the park, or to engage in any other activities that are otherwise prohibited, with regard to subdividing the park into ownership interests, prior to the issuance of a public report pursuant to this chapter.

Separate Review of Proposed Management Documents

11010.10. A person who plans to offer for sale or lease lots or other interests in a subdivision which sale or lease (a) is not subject to the provisions of this chapter, (b) does not require the submission of a notice of intention as provided in Section 11010, or (c) is subject to this chapter and for which the local jurisdiction requires review and approval of the declaration, as defined in subdivision (h) of Section 1351 of the Civil Code, prior to or concurrently with the recordation of the subdivision map and prior to the approval of the declaration pursuant to a notice of intention for a public report, may submit an application requesting review of the declaration, along with any required supporting documentation, to the commissioner, without the filing of a notice of intention for the subdivision for which the declaration is being prepared. Upon approval, the commissioner shall give notice to the applicant that the declaration shall be approved for a subsequent notice of intent filing for any public report for the subdivision identified in the application, provided that the subdivision setup is substantially the same as that originally described in the application for review of the declaration.

Disclosure – Right to Negotiate Property Inspections

11010.11. Notwithstanding any provision in the purchase contract to the contrary, if the subdivision is to be used for residential purposes, the subdivision public report shall disclose that a prospective buyer has the right to negotiate with the seller to permit inspections of the property by the buyer, or the buyer's designee, under terms mutually agreeable to the prospective buyer and seller.

Exempt Transfers – Builder to Builder

11010.35. (a) The provisions of this chapter shall not apply to the proposed sale or lease of five or more lots, parcels, or other interests in a subdivision or the sale of one or more lots or parcels in a subdivision where the lot or lots or parcel or parcels are intended to be further subdivided into five or more lots, parcels, or other subdivision interests as defined in Sections 11000, 11000.1, and 11004.5, to any person who acquires the lots, parcels, or other subdivision interests for the purpose of engaging in the business of constructing residential, commercial, or industrial buildings, or for the purpose of resale or lease of the lots, parcels, or other subdivision interests to persons engaged in this business, provided that the purchase or lease agreement or a separate disclosure document includes a statement or provision that the purchaser or lessee is required to comply with the applicable provisions of this chapter prior to offering for sale or lease any lot, parcel, or other subdivision interest acquired pursuant to the exemption granted by this subdivision.

(b) The exemption provided by subdivision (a) does not apply to a proposed sale or lease of lots, parcels, or other subdivision interests that is done for the purpose of evading any other provision of this chapter.

(c) The provisions of subdivision (a) are intended to clarify the application of this chapter to the commercial sale or lease of residential subdivision interests and should not be interpreted to impose requirements on transactions entered into prior to the date on which this section became operative.

Subdivision Filing Fees – Notice of Intention

11011. (a) The commissioner may by regulation prescribe filing fees in connection with applications to the Department of Real Estate pursuant to this chapter that are lower than the maximum fees specified in subdivision (b) if the commissioner determines that the lower fees are sufficient to offset the costs and expenses incurred in the administration of this chapter. The commissioner shall hold at least one hearing each calendar year to determine if lower fees than those specified in subdivision (b) should be prescribed.

(b) The filing fee for an application for a public report to be issued under authority of this chapter shall not exceed the following for each subdivision or phase of a subdivision in which interests are to be offered for sale or lease:

- (1) A notice of intention without a completed questionnaire: One hundred fifty dollars (\$150).

(c) The filing fee to review a declaration as described in Section 11010.10 shall not exceed two hundred dollars (\$200).

(d) The actual subdivision fees established by regulation under authority of this section and Section 10249.3 shall not exceed the amount reasonably required by the department to administer this part and Article 8 (commencing with Section 10249) of Chapter 3 of Part 1.

(e) All fees collected by the department under authority of this chapter shall be deposited into the Real Estate Fund under Chapter 6 (commencing with Section 10450) of Part 1. All fees received by the department pursuant to this chapter shall be deemed earned upon receipt. No part of any fee is refundable unless the commissioner determines that it was paid as the result of a mistake or inadvertence.

This section shall remain in effect unless it is superseded pursuant to Section 10226 or subdivision (a) of Section 10226.5, whichever is applicable.

Notice of Change in Setup of Offering

11012. It is unlawful for the owner, his agent, or subdivider, of the project, after it is submitted to the Department of Real Estate, to materially change the setup of such offering without first notifying the Department of Real Estate in writing of such intended change. This section only applies to those changes of which the owner, his agent, or subdivider has knowledge or constructive knowledge.

Blanket Encumbrance

11013. For the purposes of this part, a blanket encumbrance shall be considered to mean a trust deed or mortgage or any other lien or encumbrance, mechanics' lien or otherwise, securing or evidencing the payment of money and affecting land to be subdivided or affecting more than one lot or parcel of subdivided land, or an agreement affecting more than one such lot or parcel by which the owner or subdivider holds said subdivision under an option, contract to sell, or trust agreement.

Release Clause

11013.1. It shall be unlawful, except as provided in Section 11013.2, for the owner, subdivider, or agent to sell or lease lots or parcels within a subdivision that is subject to a blanket encumbrance unless there exists in such blanket encumbrance or other supplementary agreement a provision, hereinafter referred to as a release clause, which by its terms shall unconditionally provide that the purchaser or lessee of a lot or parcel can obtain legal title

BUSINESS AND PROFESSIONS CODE

or other interest contracted for, free and clear of such blanket encumbrance, upon compliance with the terms and conditions of the purchase or lease.

Subdivision Subject to Blanket Encumbrance

11013.2. Should there not exist in the blanket encumbrance or supplementary agreement a release clause as set forth in Section 11013.1, then it shall be unlawful for the owner, subdivider, or agent to sell or lease lots or parcels within such subdivision unless one of the following conditions is complied with:

Escrow

(a) The entire sum of money paid or advanced by the purchaser or lessee of any such lot or parcel, or such portion thereof as the commissioner shall determine is sufficient to protect the interest of the purchaser or lessee, shall be deposited into an escrow depository acceptable to the commissioner until either (1) a proper release is obtained from such blanket encumbrance; or (2) either the owner, subdivider, or agent or the purchaser or lessee may default under their contract of sale or lease and there is a determination as to the disposition of such moneys; or (3) the owner, subdivider, or agent orders the return of such moneys to such purchaser or lessee.

Title Held in Trust

(b) The title to the subdivision is to be held in trust under an agreement of trust acceptable to the commissioner until a proper release from such blanket encumbrance is obtained.

Bond

(c) A bond to the State of California is furnished to the commissioner for the benefit and protection of purchasers or lessees of such lots or parcels, in such amount and subject to such terms as may be approved by the commissioner, which shall provide for the return of the moneys paid or advanced by any purchaser or lessee, for or on account of the purchase or lease of any such lot or parcel if a proper release from such blanket encumbrance is not obtained; provided, however, that if it should be determined that such purchaser or lessee, by reason of default or otherwise, is not entitled to the return of such moneys, or any portion thereof, then such bond shall be exonerated to the extent of the amount of such moneys to which such purchaser or lessee is not entitled.

Alternative Requirement

(d) There is conformance to such other alternative requirement or method which the commissioner may deem acceptable to carry into effect the intent and provisions of this part.

Taxes and Assessments

11013.3. Taxes and assessments levied by public authority shall not be considered a blanket encumbrance within the meaning of Section 11013.

Subdivision Not Subject to Blanket Encumbrance

11013.4. If a subdivision is not subject to a blanket encumbrance, as defined in Section 11013, it is unlawful for the owner, subdivider, or agent to sell or lease lots or parcels within a subdivision unless one of the following conditions is complied with:

Escrow

(a) The entire sum of money paid or advanced by the purchaser or lessee of any lot or parcel, or such portion thereof as the commissioner determines is sufficient to protect the interest of the purchaser or lessee, is deposited into an escrow depository acceptable to the commissioner or into a trust account acceptable to the commissioner to be held in the escrow depository or trust account until the legal title or other interest contracted for, whether title of record or other interest, is delivered to the purchaser or lessee or until (1) either the owner, subdivider, or agent or the purchaser or lessee defaults under the contract of sale or lease and a determination is made as to the disposition of the money; or (2) the owner, subdivider, or agent orders the return of the money to the purchaser or lessee.

Bond

(b) A bond to the State of California is furnished to the commissioner for the benefit and protection of purchasers or lessees of the lots or parcels, in such amount and subject to such terms as may be approved by the commissioner, which provides for the return of the money paid or advanced by any purchaser or lessee, for or on account of the purchase or lease of any lot or parcel in the event that the owner, subdivider, or agent does not, within the time specified in the contract to sell or lease, or any extension thereof, deliver the legal title or other interest contracted for, whether title of record or other interest, to the purchaser or lessee for any reason other than an uncured default of the purchaser or lessee.

BUSINESS AND PROFESSIONS CODE

Association Certificates – Bond Increaseable

(c) An association, approved by the commissioner, files with the commissioner a certificate in which it certifies that the owner, subdivider, or agent is a member of the association and that there is on file with the commissioner a bond, of the kind specified in subdivision (b), which has been approved by the commissioner as to amount, terms and coverage, and which is for the benefit and protection of all purchasers and lessees of subdivided lots or parcels to be sold or leased by members of the association (all which the commissioner may, at the commissioner's option, verify or require to be verified).

Proof of Security

(d) Proof, satisfactory to the commissioner, is furnished:

(1) that security provided or contemplated to be given pursuant to the provisions of Section 66493 and Chapter 5 (commencing with Section 66499) of Division 2 of Title 7 of the Government Code, has been given in an amount, the commissioner approves, or that the giving of such security is unnecessary; and

(2) that a lien and completion bond or bonds, approved by the commissioner as to amount, terms and coverage and including within its scope all onsite construction work to be undertaken on the lots or parcels, has been written and issued by an admitted surety insurer; provided, however, that this subdivision applies only to an owner, subdivider, or agent who proposes to sell or lease the lots or parcels with improvements thereon in the nature of residential structures.

Escrow – Limit of Applicability

(e) The entire sums of moneys paid or advanced by the purchasers or lessees of the lots or parcels, or such portion of the money as the commissioner determines is sufficient to protect the interest of the purchaser or lessee, is deposited into an escrow depository or other agency, acceptable to the commissioner, to be held, in whole or in part, by the escrow depository or other agency as provided by subdivision (a) or, at the election of the owner, subdivider, or agent, to be disbursed, in whole or in part, for the construction of residential or other structures to be built on the lots or parcels within the subdivision, or such unit or units thereof as the commissioner determines, in such manner and pursuant to such instructions as the commissioner approves; provided, however, that the provisions of this subdivision apply only to an owner, subdivider, or agent who proposes to sell or lease the lots or parcels with improvements thereon in the nature of residential structures.

Alternative Methods

(f) There is conformance to such other alternative requirement or method the commissioner deems acceptable to carry into effect the intent and provisions of this part.

Public Report

11013.5. The public report of the commissioner, when issued, shall indicate the method or procedure selected by the owner or subdivider to comply with the provisions of Sections 11013.1, 11013.2 or 11013.4.

Investigation of Subdivision Offering

11014. The commissioner may investigate any subdivision being offered for sale or lease in this State. For the purposes of such investigations the commissioner may use and rely upon any relevant information or data concerning a subdivision obtained by him from the Federal Housing Administration, the United States Veterans Administration or any other federal agency having comparable duties and functions in relation to subdivisions or property therein.

Issuance or Denial of Public Report

11018. The Real Estate Commissioner shall make an examination of any subdivision, and shall, unless there are grounds for denial, issue to the subdivider a public report authorizing the sale or lease in this state of the lots or parcels within the subdivision. The report shall contain the data obtained in accordance with Section 11010 and which the commissioner determines are necessary to implement the purposes of this article. The commissioner may publish the report.

The grounds for denial are:

(a) Failure to comply with any of the provisions in this chapter or the regulations of the commissioner pertaining thereto.

(b) The sale or lease would constitute misrepresentation to or deceit or fraud of the purchasers or lessees.

(c) Inability to deliver title or other interest contracted for.

BUSINESS AND PROFESSIONS CODE

- (d) Inability to demonstrate that adequate financial arrangements have been made for all offsite improvements included in the offering.
- (e) Inability to demonstrate that adequate financial arrangements have been made for any community, recreational or other facilities included in the offering.
- (f) Failure to make a showing that the parcels can be used for the purpose for which they are offered; and in the case of a subdivision being offered for residential purposes failure to make a showing that vehicular access and a source of potable domestic water either is available or will be available.
- (g) Failure to provide in the contract or other writing the use or uses for which the parcels are offered, together with any covenants or conditions relative thereto.
- (h) Agreements or bylaws to provide for management or other services pertaining to common facilities in the offering, which fail to comply with the regulations of the commissioner.
- (i) Failure to demonstrate that adequate financial arrangements have been made for any guaranty or warranty included in the offering.

Prospective Purchaser to Receive Public Report

11018.1. (a) A copy of the public report of the commissioner, when issued, shall be given to the prospective purchaser by the owner, subdivider or agent prior to the execution of a binding contract or agreement for the sale or lease of any lot or parcel in a subdivision. The requirement of this section extends to lots or parcels offered by the subdivider after repossession. A receipt shall be taken from the prospective purchaser in a form and manner as set forth in regulations of the Real Estate Commissioner.

(b) A copy of the public report shall be given by the owner, subdivider or agent at any time, upon oral or written request, to any member of the public. A copy of the public report and a statement advising that a copy of the public report may be obtained from the owner, subdivider or agent at any time, upon oral or written request, shall be posted in a conspicuous place at any office where sales or leases or offers to sell or lease lots within the subdivision are regularly made.

(c) At the same time that a public report is required to be given by the owner, subdivider, or agent pursuant to subdivision (a) with respect to a common interest development, as defined, in subdivision (c) of Section 1351 of the Civil Code, the owner, subdivider, or agent shall give the prospective purchaser a copy of the following statement:

"COMMON INTEREST DEVELOPMENT GENERAL INFORMATION

The project described in the attached Subdivision Public Report is known as a common-interest development. Read the public report carefully for more information about the type of development. The development includes common areas and facilities which will be owned or operated by an owners' association. Purchase of a lot or unit automatically entitles and obligates you as a member of the association and, in most cases, includes a beneficial interest in the areas and facilities. Since membership in the association is mandatory, you should be aware of the following information before you purchase:

Your ownership in this development and your rights and remedies as a member of its association will be controlled by governing instruments which generally include a Declaration of Restrictions (also known as CC&R's), Articles of Incorporation (or association) and bylaws. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law. Study these documents carefully before entering into a contract to purchase a subdivision interest.

In order to provide funds for operation and maintenance of the common facilities, the association will levy assessments against your lot or unit. If you are delinquent in the payment of assessments, the association may enforce payment through court proceedings or your lot or unit may be liened and sold through the exercise of a power of sale. The anticipated income and expenses of the association, including the amount that you may expect to pay through assessments, are outlined in the proposed budget. Ask to see a copy of the budget if the subdivider has not already made it available for your examination.

A homeowner association provides a vehicle for the ownership and use of recreational and other common facilities which were designed to attract you to buy in this development. The association also provides a means to accomplish architectural control and to provide a base for homeowner interaction on a variety of issues. The purchaser of an interest in a common-interest development should contemplate active participation in the affairs of the association. He or she should be willing to serve on the board of directors or on committees created by the

BUSINESS AND PROFESSIONS CODE

board. In short, "they" in a common interest development is "you." Unless you serve as a member of the governing board or on a committee appointed by the board, your control of the operation of the common areas and facilities is limited to your vote as a member of the association. There are actions that can be taken by the governing body without a vote of the members of the association which can have a significant impact upon the quality of life for association members.

Until there is a sufficient number of purchasers of lots or units in a common interest development to elect a majority of the governing body, it is likely that the subdivider will effectively control the affairs of the association. It is frequently necessary and equitable that the subdivider do so during the early stages of development. It is vitally important to the owners of individual subdivision interests that the transition from subdivider to resident-owner control be accomplished in an orderly manner and in a spirit of cooperation.

When contemplating the purchase of a dwelling in a common interest development, you should consider factors beyond the attractiveness of the dwelling units themselves. Study the governing instruments and give careful thought to whether you will be able to exist happily in an atmosphere of cooperative living where the interests of the group must be taken into account as well as the interests of the individual. Remember that managing a common interest development is very much like governing a small community . . . the management can serve you well, but you will have to work for its success."

Failure to provide the statement in accordance with this subdivision shall not be deemed a violation subject to Section 10185.

- (d) (1) The commissioner may include a disclosure statement in a permit or public report for a single-site time-share project associated with other component resorts through a reservation system pertaining to the effect of reservation systems on the purchase of interests in those projects.
- (2) Notwithstanding paragraph (1), the commissioner may prepare, for each single-site time-share project, a separate disclosure statement relating to the effect of the reservation system on the purchase of an interest in that project.
- (3) The commissioner shall develop and use a standardized form for the disclosure permitted pursuant to paragraph (2).
- (4) This statement shall be in 10-point bold typeface and given to and personally signed by the subdivider or the subdivider's agent and prospective purchaser as soon as practical prior to the execution of a binding contract or agreement.

Public Report Required Prior to Sale or Lease or Offer for Sale or Lease

11018.2. No person shall sell or lease, or offer for sale or lease in this state any lots or parcels in a subdivision without first obtaining a public report from the Real Estate Commissioner. This section shall not apply to subdivisions for which a notice of intention is not required under the provisions of this chapter.

Right to Hearing

11018.3. Any subdivider objecting to the denial of a public report may, within 30 days after receipt of the order of denial, file a written request for a hearing. The commissioner shall hold the hearing within 20 days thereafter unless the party requesting the hearing requests a postponement. If the hearing is not held within 20 days after request for a hearing is received plus the period of the postponement or if a proposed decision is not rendered within 45 days after submission and an order adopting or rejecting the proposed decision is not issued within 15 days thereafter, the order of denial shall be rescinded and a public report issued.

Issuance of Public Reports on Section 11004.5 Subdivisions

11018.5. With respect to the subdivisions and interests of the type described in Section 11004.5, and in addition to the other grounds for denial of a public report as set forth in this code, the commissioner shall issue a public report if the commissioner finds the following with respect to any such subdivision or interest:

- (a) (1) Reasonable arrangements have been made to assure completion of the subdivision and all offsite improvements included in the offering.
- (2) If the condominium or community apartment project, stock cooperative or planned development, or premises or facilities within the common area are not completed prior to the issuance of a final subdivision public report on the project, the subdivider shall specify a reasonable date for completion and shall comply with one of the following conditions:

BUSINESS AND PROFESSIONS CODE

(A) Arranges for lien and completion bond or bonds in an amount and subject to such terms, conditions and coverage as the commissioner may approve to assure completion of the improvements lien free.

(B) All funds from the sale of lots or parcels or such portions thereof as the commissioner shall determine are sufficient to assure construction of the improvement or improvements, shall be impounded in a neutral escrow depository acceptable to the commissioner until the improvements have been completed and all applicable lien periods have expired; provided, however, the commissioner determines the time for the completion is reasonable.

(C) An amount sufficient to cover the costs of construction shall be deposited in a neutral escrow depository acceptable to the commissioner under a written agreement providing for disbursements from such escrow as work is completed.

(D) If the project is a condominium situated on a single parcel as shown on an approved final subdivision map, arrange for (i) lien and completion bond or bonds in an amount sufficient to assure lien-free completion of all common area improvements not located in a residential structure, and (ii) placement of all funds, or such portions thereof as the commissioner shall determine are sufficient, from the sales of condominium interests in a neutral escrow depository acceptable to the commissioner. The funds for purchase or lease of the condominium interest shall remain in the escrow account until the residential structure in which the purchaser's separate unit is located has been completed, and all lien periods applicable to the purchaser's separate and undivided interests in the entire project arising out of the work of improvement performed by either the subdivider or any successor in interest to the subdivider have expired or have been insured against in a manner satisfactory to the commissioner.

(E) Such other alternative plan as may be approved by the commissioner.

(b) The deeds, conveyances, leases, subleases, or instruments or assignment to be used are adequate to transfer to the purchasers the legal interests and uses which the owner or subdivider represents the purchasers will receive.

(c) After transfer of title to the first lot, apartment, or condominium in the subdivision to any purchaser, the provisions of the declaration of restrictions, articles of incorporation, bylaws, management contracts (and the provisions of any and all other documents establishing, in whole or in part, the plan for use, enjoyment, maintenance, and preservation of the subdivision) as last submitted to the commissioner prior to issuance of the final public report, shall be binding upon the purchaser and occupant of every other lot, apartment, or condominium in the subdivision, including, except with regard to a limited-equity housing cooperative or a time-share project, purchasers acquiring title by foreclosure, whether judicial or nonjudicial, or by deed in lieu thereof, under any mortgage or deed of trust, whether or not the mortgage or deed of trust was recorded prior to recordation of the covenants, conditions and restrictions applicable to such first lot, apartment, or condominium.

(d) Reasonable arrangements have been made for delivery of control over the subdivision and all offsite land and improvements included in the offering, to the purchasers of lots, apartments, or condominiums in such subdivision.

(e) Reasonable arrangements have been or will be made as to the interest of each of the purchasers of lots, apartments, or condominiums in the subdivision with respect to the management, maintenance, preservation, operation, use, right of resale, and control of their lots, apartments, or condominiums, and such other areas or interests, whether or not within, or pertaining to, areas within the boundaries of the subdivision, as have been or will be made subject to the plan of control proposed by the owner and subdivider, and which are included in the offering.

"Purchaser," as used in this section, shall include within its meaning a lessee of the legal interests described in Section 11003 of this code.

Governing Documents – Availability and Delivery to Prospective Purchaser

11018.6. Any person offering to sell or lease any interest subject to the requirements of subdivision (a) of Section 11018.1 in a subdivision described in Section 11004.5 shall make a copy of each of the following documents available for examination by a prospective purchaser or lessee before the execution of an offer to purchase or lease and shall give a copy thereof to each purchaser or lessee as soon as practicable before transfer of the interest being acquired by the purchaser or lessee:

Governing Documents – Amendments

11018.7. (a) No amendment or modification of provisions in the declaration of restrictions, bylaws, articles of incorporation or other instruments controlling or otherwise affecting rights to ownership, possession, or use of interests in subdivisions as defined in Sections 11000.1 and 11004.5 which would materially change those rights of an owner, either directly or as a member of an association of owners, is valid without the prior written consent of the Real Estate Commissioner during the period of time when the subdivider or his or her successor in interest holds or directly controls as many as one-fourth of the votes that may be cast to effect that change.

(b) The commissioner shall not grant his or her consent to the submission of the proposed change to a vote of owners or members if he or she finds that the change if effected would create a new condition or circumstance that would form the basis for denial of a public report under Sections 11018 or 11018.5.

An application for consent may be filed by any interested person on a form prescribed by the commissioner. A filing fee to be fixed by regulation, but not to exceed twenty-five dollars (\$25), shall accompany each application.

There shall be no official meeting of owners or members nor any written solicitation of them for the purpose of effectuating a change referred to herein except in accordance with a procedure approved by the commissioner after the application for consent has been filed with him or her; provided, however, that the governing body of the owners association may meet and vote on the question of submission of the proposed change to the commissioner.

(5) Whether the purchaser's participation in the exchange program is dependent upon the continued affiliation of the applicable time-share project with the exchange program.

(6) A fair and accurate description of the terms and conditions of the purchaser's contractual relationship with the exchange program and the procedure by which changes to the contract may be made.

Incidental Benefit in a Time-Share Project

11018.9. (a) Notwithstanding anything to the contrary contained in subdivision (g) of Section 11004.5, Section 11018, and subdivisions (d) and (e) of Section 11018.5, an incidental benefit is not a part of the offering, and except as provided in this section shall not be subject to the provisions of this part nor to regulations of the commissioner adopted pursuant thereto.

(b) If a purchaser of an interest in a time-share project is offered the opportunity to acquire an incidental benefit in connection with a time-share interest, the subdivider shall include with the application for a public report a description of each incidental benefit, including the nature and amount of any user fees or costs associated therewith, and, any restrictions upon use or availability.

(c) Incidental benefits may only be offered if:

(1) The continued availability of any incidental benefit for the use and enjoyment of owners of time-share interests is not necessary in order for any accommodation or facility which is not an incidental benefit to be used, occupied, or enjoyed by the owners in a manner consistent in all material respects with the plan of use and enjoyment set forth in the time-share documents or represented by or on behalf of the subdivider, in writing in a purchaser's purchase contract, in the permit, or in any advertisement or promotion, or otherwise.

(2) The use of or participation in the incidental benefit by an owner of a time-share interest is completely voluntary, and payment of any fee or other cost associated with the incidental benefit is required only upon that use or participation.

(3) No costs of acquisition, operation, maintenance, or repair of the incidental benefit are passed on to purchasers of time-share interests in the time-share project as common expenses of the time-share project.

(d) The commissioner may issue a disclosure statement relating to any incidental benefits. A copy of the disclosure statement of the commissioner, when issued, shall be given to the prospective purchaser by the owner, subdivider, or agent prior to the execution of a binding contract or agreement for the sale of any interest in the time-share project.

Multisite Time-Share Project

11018.10. No person shall sell or lease, or offer for sale or lease in this state any interest in a multisite time-share project without first obtaining a public report covering each component site from the Real Estate Commissioner. For purposes of this section, the sale of an interest in a single-site time-share project coupled with a representation that a purchaser shall obtain a guaranteed right to use and occupy accommodations or facilities at more than one geographic site, shall be deemed to be the sale of an interest in a multisite time-share project. The required use of a reservation system in itself shall not be deemed to guarantee a right to use or occupy accommodations or facilities at more than the site where the interest is purchased.

11018.11. (a) With respect to component sites available to purchasers of time-share interests in single-site time-share projects, it shall be unlawful for a subdivider to offer for sale or lease a time-share interest in the single-site time-share project unless, as to each component site affiliated through a reservation system, the subdivider has made reasonable arrangements to assure the following with respect to those component sites:

(1) That a purchaser has contractual or membership rights to use each component site, and that if a component site is or may become subject to a blanket encumbrance, that the blanket encumbrance is or will be subordinate to these rights.

(2) Adequate provisions exist for lien-free completion of all onsite and offsite improvements.

(5) Adequate provisions exist for funding the costs of operation and maintenance of the component sites, including reserves, if required, in compliance with the laws of the situs state of the component site.

(6) Each component site is in compliance with the requirements of the situs state applicable to the qualification and sale of time-share interests in the component site.

(b) A subdivider of a single-site time-share project which is associated with one or more component sites through a reservation system shall make the following true and correct disclosures to a purchaser of a time-share interest with respect to the component sites:

(b) The commissioner may issue a conditional public report for a subdivision not referred to or specified in Section 11000.1 or 11004.5 if the requirements of subdivision (e) are met, all deficiencies and substantive inadequacies in the documents that are required to make an application for a final public report for the subdivision substantially complete have been corrected, the material elements of the setup of the offering to be made under the authority

(c) Any person to whom the order is directed may, within 30 days after service thereof upon him, file with the commissioner a written request for hearing to contest the order.
